# Why **Martlets** ?

life-changing hospice care

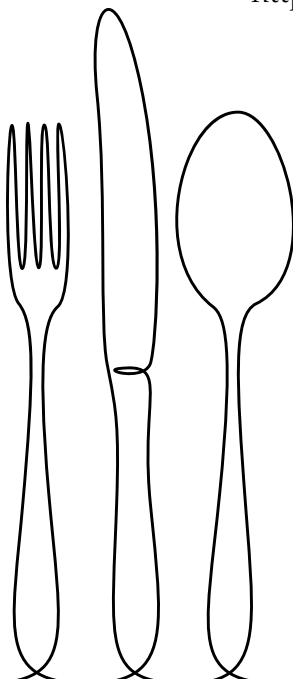

We chose to host this event for Martlets, who like us share a common goal...  
Bringing people together in whatever way we can to make the world a better place.

Through supporting Martlets we want to change the lives of those who need it the most within  
the Brighton community.

Martlets exists to provide the very best end-of-life care and support to people in Brighton and  
Hove and neighbouring areas. Their life-changing hospice care gives people living with terminal  
illness hope, purpose and possibility, and helps them make the most of the time they have left.

At the heart of our home, Marlets bring our community together to support families and  
individuals coping with bereavement.
