SEA, SAND & SALINE

Wines influenced by the sea have real freshness and purity and take their personality from their unique location. The soils are packed with fossilized shells which, when combined with the salty influence of the sea, helps to create wines of real character and tension. These electric wines are the perfect accompaniment to Oysters and other shellfish.

FINE WINES BY THE GLASS

Coravin is unique in that it enables us to serve you some incredible wines by the glass without pulling the cork. By doing so, the natural ageing process is not disturbed and leaves the wine protected from oxygen, and therefore in perfect condition.
